

League of Women Voters Nonpartisan Voters Guide Guide to General Election—November 3, 2009

Pittsburgh City Council, District 2

(Vote for One)

Term: 4 years

Salary: \$57,815

Duties: Council consists of nine members elected by district by the city of Pittsburgh voters. The legislative power is vested in the council. Council members in odd-numbered districts are elected 2 years after the even-numbered district members are elected.

Question: What do you see as the long term effects of the G-20 meeting on the city, particularly with respect to the sustainable “Green” developments that was a factor in bringing the G-20 here? What efforts are currently in progress?

Answer: The G-20 was a real opportunity to showcase the fact that Pittsburgh has become a leader in green development. I do not want this opportunity to pass our Southern Neighborhoods by. Our main streets – Broadway Ave, Brookline Blvd, Brownsville Rd and Routes 19 and 51 – have so much unrealized potential. Working together, we can leverage attention that our city has received to tap into resources that exist to promote green development.

Education: B.A., Pennsylvania State University, Political Science

Occupation: Member of Pittsburgh City Council

Qualifications: Member of Council member 8 yrs., Chief of Staff Councilman Dan Cohen 7 years, Owner/Director, Allegheny Political Resources 6 years.

Answer: Pittsburgh can continue to use the exposure we received during the G-20. The story of Pittsburgh’s transformation is a long-term story that is still being written. We need strong leadership and innovation to write the next chapter. The G-20 is a catalyst for this new future. I have been a trailblazer that set the bar high and I will continue that work
